

SHINee – HARU

Baietii grupului SHINee au lansat varianta de Craciun a melodiei **Haru, de pe coloana sonora a filmului cu acelasi nume, ce promoveaza turismul in Coreea de Sud. Desi piesa nu e schimbata aproape deloc, e foarte draguta si te duce cu gandul la zapada, sarbatori, cadouri, brazi si la spiritul Craciunului! Christmas is coooming! :) Versurile: *Falling Love nae soneul kkog jab-ajwo I Wanna Be nae gyeot-eman-iss-eo jwo Oh Happy Day nae modeungeol julgeoya I Can't Stop neoman-eul na saranghae Oh Shiny Day nae haengboghan misowa It's So Sweet nae sujub-eun seolleim Take My Heart nan neoege julgeoya I Can't Stop neol hyanghan naesarang-eul Love~ dugeun dugeun geolyeo neoleul bomyeon bolsulog nae simjang-i neomudo ttwineunde jakku jakku neureo maeil maeil jogeumssig eojoboda oneul deo saranghae neol saranghae ~ jeo haes-salboda deo bichnaneun halue gadeughan uli chueogdeul neomu tteollineun ma-eum naleul balabwajuneun neoleul saranghandago solichyeo Falling Love nae soneul kkog jab-ajwo I Wanna Be nae gyeot-eman-iss-eo jwo Oh Happy Day nae modeungeol julgeoya I Can't Stop neoman-eul na saranghae Oh Shiny Day nae haengboghan misowa It's So Sweet nae sujub-eun seolleim Take My Heart nan neoege julgeoya I Can't Stop neol hyanghan naesarang-eul Love~ Nan haru jongil neol saenggakhae***
